Tong Bei

Our tradition of kung fu is an art called "Ma Family TongBei Quan". This sophisticated style combines four major training styles into a single complete whole: Baji, Piqua, Fanzi, and ChouJiao. Through the study of these methods the student can achieve excellence in any aspect of Kung Fu, whether it be competing, performing, teaching, or achieving physical fitness.

LIGHTSABER CLASSES

Liberty is the home of Terra Prime Light Armory (TPLA), the first professional LED saber organization in the world. The French Fencing Federation (FFE) made worldwide news when they accepted Lightsaber fencing as an official sport in France! Coach Chad Eisner and TPLA France were instrumental in this project and are the exclusive representatives of the sport in the USA. We offer lightsaber classes and workshops for those aged 12 and up. We also offer Younglings classes for those Jedi who are not yet ready to take on full training. Liberty is fully licensed partners with the FFE and is the only facility that provides instruction on the official rules for international lightsaber fencing.
