BACK ROOM REQUIREMENTS

To ensure the safety, well-being and overall enjoyment of the children who visit the Treehouse Activity Center, all children must meet the criteria listed below to play in the back room.

Children MUST:

- be AT LEAST 4 years old
- be able to follow directions
- be verbal and communicative
- be well potty-trained
- be able to quickly separate from parents
- not be a thumb-sucker or use a pacifier
- not bring toys from home

While we are happy to help your child adjust to the back room, we may not be able to accommodate this during busy Treehouse hours. Given the room dynamics, the Treehouse staff reserves the right to determine the most appropriate room for your child(ren).

SECURITY

Only Liberty key tags will offer access to the Treehouse directly from the parking lot. All others must enter via main entrance to club. Also for security purposes, we ask that parents refrain from entering into the Treehouse play area, beyond the second half-door. The Treehouse has video cameras positioned in each of the play rooms, which can be monitored by Liberty Management.

Parent on-site

ALL CHILDREN using the Treehouse, *members and guests*, are required to have their parent or legal guardian on-site during their Treehouse stay.

Treehouse Fees

Treehouse Activity Center is included in all Family Memberships. A Guest Fee of \$12 per child applies to all children with parents who are registered as Couple or Individual members, and guest children who are sponsored by members. The Guest Fee grants full guest privileges to the club, allowing use of the club’s facilities for the day. Regular Treehouse time limits and policies apply.

POLICIES & PROCEDURES CONT...

To ensure the safety, well-being and overall enjoyment of the children who visit the Treehouse Activity Center, we ask that all members and their guests who utilize this service observe the following very important policies.

- The Treehouse Activity Center is for use by children ages 2 months old **through** 8 years of age.
- ALL CHILDREN using the Treehouse, members and guests, are required to have their parent or legal guardian on-site during their Treehouse stay.

- The front room of the Treehouse is for children ages 2 months through 3 years; those aged 4 through 8 years may also utilize the middle and back rooms, given they meet the Back Room Usage Requirements noted on the flip side of this brochure.
- A “shoes off, socks on at all times” policy is enforced for reasons of sanitation.
