Bootcamp (*high intensity, high impact, medium-heavy weights*) A pulse-pounding workout experience, Bootcamp combines anaerobic athletic drills (e.g. sprints and jumping) with strength and stabilization exercises. Due to the intensity of this training, a check-in with the instructor before the first class is recommended.

Cardio Express (*high intensity, low impact, light-medium weights*) Boost your heart health and energy in just 45 minutes with this fast-paced, fun cardio class! Designed to keep you moving and motivated, each session features a mix of rhythmic low-impact floor cardio, simple step routines, cardio drumming, and more. Every class is a new and exciting challenge!

Core Conditioning (*medium intensity, no impact, medium-light weights*) This class will focus on developing core strength by utilizing bodyweight exercises, light equipment, and free weights to create a full body workout.

Balance, focus, and strengthen your body and mind while releasing stress and tension and building both functional strength and flexibility.

Vinyasa Yoga (*low intensity, no impact, no weights*) A popular style of yoga in which the breath is synchronized with a flowing sequence of postures, Vinyasa challenges and empowers participants to realize the connection between breath and core strength. Each instructor brings a unique variation to the practice, including music, to enhance the flow and rhythm of the class. Appropriate for all fitness levels.

YinYasa Yoga (*low intensity, no impact, no weights*) Blends the flowing movements of Vinyasa with the deep, passive stretches of Yin. It begins with dynamic sequences to warm up the body, followed by long-held stretches to improve flexibility and relaxation. Suitable for all levels.

Yin Yoga (*low intensity, no impact, no weights*) A non-flow yoga in which poses are held for several minutes. The asanas in Yin target the connective tissue, increasing joint circulation and improving flexibility. Appropriate for all fitness levels.
